Thanks for the update. Please let us know when AOC is ready for review.
On a related note, I wanted to let you and Joanne (don't have her email address) know that Ted Callow, from the AG's office, will take Janis Snoey place on this case. His contact information is below.

Not much has happened. EPA is still negotiating the draft AOC with Cascade. Cascade is cooperating but EPA is the party slowing up the process due to the attorney's lack of time to work on the document.

Kathy,
It has been a while so wanted to check in to see if anything has developed regarding emergency cleanup actions. Let me know if there is a plan I could review.
Thanks-hope all is well.
